1 they do not comply to Federal or State labor laws. The Dollars I am left with vs the amount of revenue that I  
2 generate for the debtor directly show a substantial loss in the debtor's ability to operate legitimately during that  
3 initial time that is so important with regards not just the Court, DIP, and Creditors, but the employees that make it  
4 solvent by being present each day regardless of headlines, News reports and word of mouth. We all just experienced  
this, and we still are after Covid 19.

5 2-22-19 the Bar date that was extended to 4-19-2019<sup>iv</sup> and Government entities until Sept 2019.<sup>v</sup>

The key here is that it is illegal to have someone working for you, promise to pay them and then not pay them, even if you are in bankruptcy. Bankruptcy will not exempt an employer from their legal obligation to pay employees as prescribed by federal law. Just to clarify, if an employee continues to work with you after you file Chapter 11 bankruptcy, you must pay them. If you closed your business down after you filed bankruptcy and owe employees money for work done before you filed bankruptcy, those employees become part of your creditors in that bankruptcy case. That then positions me Before, During and after. 10-15-2018

As A W2 Employee with Benefits that included a life policy at \$45,000. Expenses Paid. Mileage paid and required illegal over time. If not in office for those days Consultants are written up . As well the Lake Mary Call Center owned by the Debtor pay the employees their overtime for the same work I am required to do 8-10 hours.

By Law, Federal, state and by the rule of this court the above presents a picture of non-Performance.

as for the period from 3-12-18 to 10-15-18 there is a 3% allowance that the debtor ignores and allows \$23,678.00 In deductions that were outlined in the addition of a spread sheet 3-2-2021 to my amended claim.

I oppose the debtor's objection and I respectfully submit the details as stated here in and payment of my claim (s) 24733 24734 It has been 712 days since I left Sears Holding Corp by way of Termination that I was not even given a notification until 6-21-19 via mail this is uploaded in my original claim documents 4-13-20. This date 4-13-2020 is the moment that I am given a green light to pursue the Debtor by the labor Board as the letter from the California Labor Board Wage Unit sends on 4-6-20 following the dismissal of my retaliation case that was dismissed for the new Owner as they are reported to be protected by an Automatic Stay provided by this Court. A clear violation and I would like to seek punitive damages as well as the consumer fines allowed for the reference to

1 my background already approved by Sears Holdings Corp stating meets company standards . I realize the need to  
2 win a response in a retaliation claim is important, but I ask the court to clarify as the new owner is still headed for a  
3 Hearing in case 809099. This conference from this case occurred 2-25-21. And also, is when the debtor supplied  
4 me the check stubs after numerous attempts over two years .. Mrs. Mcgrail then ads a link to a picture taken of me  
5 being arrested and supplies this to the labor Board investigator. And this becomes the focal point for the next year.  
6 In fact, today I am still treated as If I had created some insane heinous crime when in fact I report that 18 years old  
7 charge readily and I would request the court investigate Mrs. Mccgail and the Admin that allowed Sears Holdings  
8 Corp share that type of information to sway and mislead an investigation violates employee protection laws Federal  
9 and State. I do ask the New York in Bankruptcy Court Southern District and The Honorable Judge Robert D  
10 Drain to consider any and all waiting t time penalties that is allowed.

11 And I would as well like to have a conversation regarding the potential violation of the Automatic  
12 Stay in case 18-23538- and 18-23537 if that even exists . for The new New Buyer and how the Debtor allowed that  
13 use of it and as well portrays itself as the old and or new owner to fit any given situation to avoid prosecution .

14 The details of which I have provided to you

15 Most Sincerely

5 \*\* This created the Automatic Stay Violation . that then takes place after I file a separate Retaliation Case for the new owner where the
